Landscape Designers*	
<p>*The Water Conservation Garden has worked with the above landscape professionals within the past five years, and has found these companies to be genuinely dedicated to water-wise, sustainable practices, and education. This is a <i>reference list only</i>. We are not recommending or endorsing these companies. Please attend our workshops sponsored by The County of San Diego, "How to Hire a Landscaper" for tips on hiring a landscape professional (recording available at www.TheGarden.org). Remember always get three bids and references before hiring.</p>
